

Christmas Bird Survey 2022

We'd like to know which birds you see in your garden **between Christmas Eve 2022 and 3rd January 2023**. Write down the name of every species of bird you see and the greatest number of each species you see at any one time by writing the number you spotted in the quantity "Landed" box. The 'Overhead' column is for birds you see flying over but not landing in your garden during the Survey. Any comments on unusual sightings or behaviour (birds or any other animals of interest in your garden) are welcome.

You can send us your results in numerous ways:

- 1) You can enter your results directly onto our online form yacwag.org.uk/bird-survey-2022/
- 2) Print and return this form to the YACWAG Secretary: Chris Moore, Rose Farm, Claverham BS49 4QD
- 3) Email your results to secretary@yacwag.org.uk by 10th January 2023

All returns will be entered into a Prize Draw.

The information provided on this form will only be used to compile the results of the survey.
Personal information will only be used to send participants the results and sort out any queries.
